Dear Jason:

Congratulations on winning the Guelph Mercury "40 Under 40" Award!

To be nominated for and to win "40 Under 40" is a recognition of your personal accomplishment beyond that of normal achievement. It is also a way in which your own community thanks you for the incredible contribution you have made to advance the well being of others.

To win such an Award means you have accomplished a well deserving level of regard that distinguishes you from all around you. You have reached a level of accomplishment and service that only a few within the community ever dream to reach. You have done this and you have done it well.

I and all of Guelph are truly grateful for your compassionate service to each of us in our community.

I congratulate you for having received the recognition you deserve.

Warmest Regards,

Francis M. Valeriote
